Incorporating Orthodontics Into Your Practice ... And Making It Work

This comprehensive, 8-session (128-hour seminar series) will focus on the fundamentals of orthodontics.

Upon completion of the course participants will be able to:

- Select the appropriate cases to treat
- Diagnose cases
- Plan patient treatments
- Treat patients using the Straight Wire philosophy
- Evaluate case progressions
- Use the latest orthodontic treatment options
- Finish cases effectively

Dr. Corbett is a world-renowned Orthodontist, and one of the most respected instructors in the orthodontic industry. He has been instrumental in educating doctors on the Straight Wire Technique, which is the industry standard. Dr. Corbett is a graduate of the University of California Dental School. In addition,

he completed his postdoctoral orthodontic program at the University of California and has served on the pedodontic faculty. Dr. Corbett has lectured throughout the United States and 41 foreign countries.
